Project [illegible]

SECURITY INFORMATION

CENTRAL INTELLIGENCE AGENCY

Office of Research and Reports

23 August 1952

Project Initiation Memorandum

To: D/E

From: D/R

Subject: Financial Transactions on Dollar Accounts of Czechoslovakia

Requester: [redacted] 25X1A

Responsible Division: D/R
Responsible Branch: D/E
Analyst in Charge: Staff D/EP

Statement of Project:

Problem: To furnish an analysis of Czechoslovakian dealings on dollar accounts

Scope: To estimate present status of Czech dollar accounts, including their nature and flow, sources and destination of dollars, and the effect on Czechoslovakia of the withdrawal in November 1952 of tariff concessions under GATT; and to determine the techniques by which Czechoslovakia is attempting to remain the dollars lost through that action.

Internal CIA Contributions or Coordination: D/A

External Contributions or Coordination: US Treasury and others as necessary

Due in D/R: 1200, 3 November 1952

Due to Requester: 1700, 3 November 1952

Form of Publication: Memorandum (original and 2 cartons) in final form for forwarding to requester

Classification: To be determined by D/R

Distribution: Requester only
